

Engineering your Future @ NIST, Berhampur, Odisha

20 Years of Quality Engineering Education with Discipline

www.nist.edu

The National Institute of Science & Technology (NIST) was established in the year 1996 led by technocrats-cum-academicians educated in the top Institutes of India & abroad with the mission to “create engineering minds capable of mastering the global challenges of tomorrow’s technology”. NIST is being managed by the SM Charitable Educational Trust under the vision and guidance of its renowned philanthropist and educationist Chairman, Shri Surendra Mudali. The Institute is approved by the AICTE (under MHRD, Govt. of India) and is affiliated to Biju Patnaik University of Technology (BPUT), Odisha. The founder Director, Prof Sangram Mudali is B. Tech from IIT Kanpur & MS from Univ. of Houston, USA. The Co-founder & Placement Director, Prof. (Ms.) Geetika Mudali, is B. Tech from Osmania University & MS from New Jersey Institute of Technology, USA. Today NIST has 3200 students studying B.Tech (Engineering), M.Tech, PhD, MBA and MCA.

In 1996 NIST was the only engineering Institute in all the 12 districts of the poorest South Orissa. The promoters led by its Founder Director Prof Sangram Mudali, established the Institute in South Orissa to cater to the aspirations of the poorest and deprived people. More than 5000 alumni in top companies of India and world testify the commitment of its founders to build a world class Institute in the state of Orissa.
